The Lucky Losers

Coming from California for their first time at the Fair, The Lucky Losers are winners of six Independent Blues Awards, including *Artist of the Year* (Cathy Lemons) and *Song of the Year* ("Godless Land"). The Lucky Losers are San Francisco's premier blues-soul band with fiery Dallas-raised vocalist Cathy Lemons and New Jersey harmonica master/vocalist Phil Berkowitz. They deliver a throwback mix of blues, soul, rock, gospel, and Americana with impassioned vocals and electrifying interplay.
