### ***Blue Hill***

Blue Hill is a musical collaboration of old and new friends/musicians from the Hudson Valley. Together, Dave, Paul, Tony, Susan, and Paul bring a unique and well-rounded mix of classic and recent rock, blues, country, and jazz, covering 50 plus years of music—including some favorites not often played by other bands!

### ***Sirens of Song***

Sirens of Song is a female fronted tribute band that takes audiences on a nostalgic journey through the iconic music of the 90s Lilith Fair era of the late 90's/early 2000's. What started as an assembly of musicians at an annual festival has become an actual band of talented musicians whose enthusiasm for this genre of music is the driving force behind their collaboration.

### ***Eric Erickson***

Woodstock's "EXTRA-sensitive Singer/Songwriter" plays original and familiar songs. While the comparison of Eric's vocal style to that of James Taylor is inevitable, he hastens to add, "I hope that people will also find a trace of Lowell George, Tim Buckley, Pete Seeger, and maybe even a little Randy Newman!"
