While the comparison of Eric's vocal style to that of James Taylor is inevitable-- "It's no coincidence," says Eric--he hastens to add, "I hope that people will also find a trace of Lowell George, Tim Buckley, Pete Seeger, and maybe even a little Randy Newman!" The list of performers with whom Eric has shared the stage includes Pete Seeger, Livingston Taylor, Suzanne Vega, John Hall, Happy and Artie Traum, acoustic guitar master Adrian Legg, Priscilla Herdman, Rick Danko of the Band, Tom Chapin, Ronnie Gilbert of the Weavers and the British group Fairport Convention.
